Station WCSR
10 $\frac{1}{2}$ Prospect Street
Northampton, Massachusetts

Dear Saby:

This is to express our thanks and appreciation to the WCSR staff for their hospitality and cooperation last night. Everyone here had a thoroughly enjoyable time, which seems to indicate that there was the right admixture of professional and social activity.

WCSR has really advanced in the short space of one year, and I'm sure we learned a few things which will be helpful in our own operations (including, by the way, the pronunciation of "Am-erst").

And of course we extend a permanent invitation to any members of WCSR who happen to be in Cambridge at any time to drop into our Dudley Hall studios.

Sincerely,

Herb
